

THE GAME SYSTEM OF TOMORROW TAKES SHAPE TODAY

**INTRODUCING THE
VS. UNISYSTEM™**

VS. UNISYSTEM, a single
monitor addition to the
VS. SYSTEM™—

Games that never stop
earning.

GET THE VS. SYSTEM™ ADVANTAGE

Nintendo's revolutionary VS. SYSTEM™ of interchangeable games now comes in a compact new shape—a single monitor upright cabinet.

THE VS. UNISYSTEM™

The **VS. UNISYSTEM** will bring the VS. SYSTEM advantage to all your game locations. Especially those places where our dual monitor cabinet just couldn't go.

With the **VS. UNISYSTEM**, you'll enjoy the advanced game technology and easy convertibility that have made the VS. SYSTEM famous.

And, since the **VS. UNISYSTEM** only needs one VS. PAK™ to be up and running, you can make your selections one at a time from our growing library of high-earning games. Games like VS. GOLF™, VS. PINBALL™, VS. EXCITEBIKE™ and VS. ICE CLIMBER™. Then, rotate your games among your VS. SYSTEM cabinets for maximum return on your investment.

In short, you'll get all the advantages of the VS. SYSTEM in one easy-to-place, economically priced cabinet. It's something you've been asking for. And we delivered.

If our new **VS. UNISYSTEM** isn't enough to convince you we're out to make VS. the game system of tomorrow, maybe this will...
